Education

Deen Dayal Upadhyaya Gorakhpur University

Bachelor of Computer Application

Gorakhpur, UP

August 2023- July 2026

Pratap Narayan Singh Janta Inter College

Intermediate , UP Board

Gorakhpur, UP

April 2023

Career Objective

- BCA graduate and aspiring full stack developer with hands-on experience building responsive and database-driven web applications. Skilled in developing end-to-end solutions across frontend and backend technologies. A motivated fresher eager to apply technical skills, learn new technologies, and contribute to impactful software projects.

Projects

EduNote | *Python, FastAPI, JavaScript, PostgreSQL*

Sep. 2026

- Created a feature-rich educational platform for managing digital learning content.
- Enabled secure authentication, role-based access, and personalized dashboards.
- Added book and content management features for students and authors.
- Integrated Restful APIs for comments, learning resources, and content interactions.

Personal Health Tracker | *Python, Flask, PostgreSQL, JavaScript, HTML, CSS*

July 2026

- Built a health and wellness platform for tracking daily routines and activities.
- Configured reminders and alerts to encourage consistent healthy habits.
- Visualized personal progress and activity patterns through interactive charts.
- Provided growth analytics to highlight health and routine trends.

Habit-Flow | *HTML, CSS, JavaScript, FastAPI*

August 2026

- This is a responsive task management application for organizing daily tasks and routines.
- Implemented task scheduling, calendar-based planning, reminders, and fixed-date alarms for effective daily productivity.
- Designed a responsive interface with interactive features for seamless task tracking across devices.

Portfolio | *JavaScript, HTML, CSS*

July 2026

- Crafted a responsive portfolio showcasing projects and professional achievements.
- Organized sections for education, technical skills, projects, and contact details.
- Enhanced usability through clear presentation and seamless browsing.

Technical Skills

Languages: HTML, CSS, JavaScript

Frontend: React.js, Tailwind CSS

Backend: Python, FastAPI, Flask

Database: SQL, MySQL, PostgreSQL

Tools: Git, GitHub, VS Code
